

MenuComponent

```
classDiagram
    MenuComponent <|-- MenuComposition
    MenuComponent <|-- MenuPrimitive
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'MenuComponent'. Below it are two boxes, 'MenuComposition' on the left and 'MenuPrimitive' on the right. A horizontal line connects the two bottom boxes, with a vertical line extending upwards from its center to the bottom of the 'MenuComponent' box, ending in an arrowhead. This indicates that both 'MenuComposition' and 'MenuPrimitive' inherit from 'MenuComponent'.
